

Player contact call log

Subject: Howard Williams | Player 88213 | Case #AML-1042

Call placed: 11 Aug 2026, 14:05 UTC Analyst: A. Kowalski

CALL DETAILS

Number called: verified mobile on file, ending 4471.

Answered by the account holder. Identity confirmed against three security questions before any account detail was discussed.

Duration: 11 minutes 20 seconds.

PURPOSE

Establish source of funds for deposits totalling GBP 42,000 across the review period, and confirm the player's stated occupation.

Continued on page 2.

SUMMARY OF RESPONSE

Player stated the funds derive from the sale of a residential property in Bristol, completed 24 Jul 2026. He offered to provide the completion statement and the solicitor's letter, and agreed a five working day deadline for doing so.

Occupation confirmed as self-employed building contractor, which matches the declaration held on file at registration.

No reluctance or evasion noted. The player raised no objection to the review and asked only how long his withdrawals would be held.

ANALYST ASSESSMENT

Account consistent with the deposit pattern observed. Pending documentary evidence, no further contact required.

ATTESTATION

I confirm this log was written from contemporaneous notes taken during the call, and that no part of it is reconstructed.
